Arbitration Law

Arbitration is a legal process in which two parties agree reach a mutually advantageous and satisfactory result through discussion. This method has various advantages over litigation because it is a private rather than a public dispute resolution option. Most crucially, it is a faster mode of settlement of conflict, which means it is also less expensive for the parties concerned.

Arbitration Lawyers in Dubai

To name a few we have the best Arbitration Lawyers in Dubai at Nawal Salem Advocates and Legal Consultants in different arbitration courts, including the Abu Dhabi Commercial Conciliation and Arbitration Center (ADCCAC), Dubai International Arbitration Center (DIAC), and the International Court of Arbitration (ICC),.

Working directly with clients in complete transparency and integrity allows us to deliver these services while avoiding litigation which is an expensive procedure. Whether or not a settlement is reached, we are well-positioned to provide guidance and legal advice on your behalf.

• Client arbitration guidance - We provide simple advice and help on applying for arbitration, identifying an appropriate arbitrator, selecting witnesses, and determining the best course of action based on the circumstances of the case.

• Drafting arbitration contracts and terms - Our law firm can design contract terms to ensure that arbitration proceedings are successful. We offer dispute resolution to clients until a settlement is reached.

• Client representation - from the beginning of the procedure until the issue is resolved, we provide full representation. We can guide and provide legal counseling at every stage.

• Providing competent arbitrators - If necessary, we can act as arbitrators and have a variety of credentialed talent on our team. This guarantees adequate facilitation of arbitration cases to achieve fair and legal dispute resolution.

• Arbitration enforcement - Our professional and qualified staff can ensure that arbitral awards are enforced in the UAE and other foreign jurisdictions.

. In all matters, we avoid costly litigation and strive for an acceptable settlement. And, if resolution through arbitration is not possible, we are well-positioned to advise clients.
