Intellectual property law

Naval Salem Advocates and Legal Consultants specialize in **intellectual property** law, providing comprehensive legal support to help clients safeguard their creative works and ideas in Dubai and beyond.

Intellectual Property Clients Benefit from the extensive experience of our legal team across the UAE at Naval Salem Advocates and Legal Consultants. Our intellectual property lawyers offer personalized services, conducting thorough research, providing strategic advice, and helping enforce your legal rights. We assist in drafting and negotiating licensing and distribution agreements, as well as representing clients in litigation and disputes.

What is Intellectual Property Law?

Intellectual property law protects ownership rights to creative works and ideas, covering areas such as music, art, inventions, and software. Our attorneys can help you register your intellectual property, monitor and enforce your rights, and defend against infringement.

Effective Management of Intellectual Property Portfolios

Our law firm offers full-service IP portfolio management for large organizations with multiple brands. We ensure the protection and enforcement of intellectual property rights in case of disputes with competitors. Our lawyers provide expert advice, support, and enforcement services across Dubai, the UAE, and the MENA region.

Professional Services Include: Our multidisciplinary team excels in intellectual property law, earning commendations for our friendly and knowledgeable approach. We offer a range of services, including:

- Anti-counterfeiting
- Brand Coverage
- Trademark Registration
- Copyright Protection
- Patenting
- IP Management & Transfer

Choose Naval Salem Advocates and Legal Consultants for expert assistance in navigating the complexities of intellectual property law, ensuring your creative works and ideas are legally protected.
